Some projects include: creek cleanups, facilitating special events, flyer distribution and bundling. Where do I go to sign-up? Please visit Edenvale Youth Center for information regarding each project or contact Anthony Ossentfort at 408-281-1853.

### Positive Coaching Alliance

The Department of Parks, Recreation, and Neighborhood Services is a member of the Positive Coaching Alliance where "honoring the game" is more than just words. Our elementary sports programs have always been "funpetitive" where scores are not kept and ranking of teams is not done. We have now taken the philosophy of recreational enjoyment to new levels where coaches, parents, and children are taught even more about good sportsmanship, praising children, and being positive in all aspects of the game.

## Don't Miss Out!

Register early because a class may be cancelled if it does not meet the minimum enrollment.

*Our Mission: To support the livability of neighborhoods, offer opportunities for individuals to enjoy life and strengthen communities of people.*
